

THE POWER OF WOW!

**INTRODUCING NEW PRODUCTS
FOR ALL YOUR EVENT MARKETING NEEDS**

As a AAA delegate, you qualify to receive quantity discount pricing on all VMP products. In most cases, this means even an order of one (1) item can get you the twenty (20) quantity discounted price. That means big savings on your branded environment.

Your authorized solution for AAA branded environments.

Thank you for subscribing to our e-newsletter. We hope to use this space to bring you program updates, new product information and project ideas you can incorporate into your next event.

We have a variety of AAA-branded artwork on file for you to choose from, or it's easy to create something new. The items that we displayed at the recent marketing conference are just a small sampling of the innovative marketing tools we offer. Besides tents, table drapes, free-standing flex flags and graphic disks, we also offer pop up A-Frames in a variety of shapes and sizes, traditional banners and instant bannerstands. And remember, all of our products are simple to set up, weather resistant and work equally well indoors and outdoors.

COMING SOON

We are currently creating a AAA-dedicated e-store to make your purchasing even easier. In the meantime, call our toll free number or e-mail us and a specialist will help you select the right products for your next event.
